1. The Bezirk Administration of Merseburg (D91) has recently received detailed orders from the Bezirk Commander requiring the Administration to supply certain economic information to the Russians. The information desired covers the agriculture and the total industry of the Province of Saxony, including the 57 Russian concerns, the approximately 600 socialized concerns, and the approximately 58,000 handicraft concerns in the Province.

2. The Government of Saxony issued Order No. 4881 on 7 October 1946 requiring President Hübener to supply detailed information on the following subjects by 1 November 1946:

### Administrative Organization:

- a) Administrative division of the Province, counties, Kreise, etc.
- b) List of divisions of the administration and statement of the functions and location of each division.

### Main Localities and Industrial Undertakings:

- a) Population: number of persons, their principal occupations, nationalities, social conditions, and religious affiliations.
- b) General characteristics of the localities: administrative divisions, planning, rectilinear arrangement and width of streets, existence of fortification walls and their height, width, condition, and material.
